**5/6 Homework**

**Pack a Suitcase**
You're going on a trip to Antarctica. What five items would you take with you and why? Remember to justify why you are packing these five items.

**The Wishbird**
Think of everything you know about the wishbird so far. If you could describe him to your family, what adjectives would you use?

**Horrible Homophones**
Homophones can be very confusing. Replace the silly ones with the correct words.

*There car was blew.*

*The bouy wanted an ice cream two.*

*Wood ewe like chocolate or strawberry?*

*The which had a long, pointy nose.*

*The whether was getting colder.*

*She ordered a new pair of shoes.*

*His voice sounded quite hoarse.*
Maths Challenge: Make as many of these numbers using only the number 4, and the operations +, -, ÷, × and ( ).
