STUDENT CODE OF CONDUCT

I will uphold our school values of Respect, Honesty, Teamwork, Learning and Creativity. I will work to create a happy, safe and healthy environment for my school community and myself. I will work towards developing helpful skills that promote good organization, persistence, confidence, resilience and getting along with others.

Ways in which I will endeavor to do this will be through some of the actions as listed below:

Communication (How I speak and listen)
- I will listen to others and respect different points of view.
- I will use friendly words and body language.
- I will be honest with myself and with others.
- I will use language that promotes teamwork.
- I will communicate in a manner that does not disturb teaching or learning.
- If I am upset I will use positive self-talk and other strategies to calm myself.
  - I will use "I" Statements to tell people how I feel about a situation.
  - I will talk and discuss issues calmly.

Settling Conflicts (How I resolve arguments)
- I will respect that others may have a different point of view.
- I will try to solve problems so that everyone feels that the solution is fair.
- I will let people know how I feel about something in a calm manner.
- I will use helpful self-talk to help me be resilient.
- We will make the rules up for games/activities before we start to make it fair for everyone.
- I will apologise if I hurt someone's feelings.

Movement (How I move within the classroom and around the school)
- I will walk quietly and safely in the classroom and around the school buildings.
- I will respect people's personal space.
- I will move in manner that does not affect others learning.

Safety and Security (How I will keep safe)
- I will stay inside the school ground during school hours.
- I will not play behind the shelter shed or at the front of the school.
- I will respect the safety of others in the classroom and the
- I will always go with a partner and wear a pass lanyard when I leave the classroom after asking permission from a teacher.
- I will tell a teacher if I feel unsafe or unhappy.
- I will make sure I have 5 people I can go to when I feel I need help.

Learning (How I can be actively involved in my learning)
- I will work to achieve my personal best.
- I will work hard to achieve my personal learning goals.
- I will persist even if the task is hard or not very interesting until the task is done.
- I will have the confidence to try new and difficult tasks.
- I will be creative with my learning.
- I will be organised with my equipment, work and management of time.
- I will be a positive team member in the classroom and the playground.
- I will stay on task and concentrate on my own work.
- I will help others if they ask for it when in the classroom or in the playground.
**Social Responsibility** (How I will work with all community members and I will care for the environment)

- I will make others feel welcome to our school.
- I will care for others and respect that there are many different cultural, intellectual, religious and social differences in our society.
- I will show communal responsibility when working in the classroom and having fun in the playground.
- I will use digital media in a safe and responsible manner.
- I will respect others and their property.
- I will respect my environment by caring for our limited resources.
- I will respect my environment by working towards improving it.

I have read and discussed the Student Code of Conduct with my child.

We agree to support the School’s Code of Conduct.
